

I would like to express my view of the K Love radio Station. This is a wonderful and inspiring station that serves it's listeners with a positive alternative of radio programming. I know I do not have to worry about what my children are hearing when K love is on air. This station is a positive influence for the teens in our community who enjoy the modern styles of music with a positive message. If K Love were to be displaced by an LPFM broadcaster providing other programming we would lose an uplifting station that encourages us to help and love our neighbors.
